Dear Sir/Ms.:

The following question has been received:

Question: The project summary mentions a complete deck replacement and stringer replacement as determined after the deck is removed. Is the stringer work going to be considered extra work? It is impossible to estimate how many stringers are going to need to be replaced.

Response: The stringer work is not considered extra work. The bid is carrying a quantity of 100 LF of stringers to be replaced. Actual quantity will be determined in the field once the decking is removed and will be paid for by the LF bid price.

Consider these changes and information prior to submitting your bid on **October 9, 2019**.

Sincerely,

George M. A. Macdougall P.E.
